MEDICAL DISCLAIMER

This packet provides weight loss management information and is intended only to assist users in their personal weight loss efforts. HCG Weight Loss & Family Clinic information should not be interpreted as a substitute for physician consultation, evaluation, or treatment, nor shared with other individuals that have not individually attended a consultation with a representative of the HCG Weight Loss & Family Clinic.

HCG is approved for use by the DEA and FDA as a fertility drug for women with PCOD. HCG is being used as an off label use when used in conjunction with weight loss to increase metabolism and assist with appetite suppression. HCG used by the HCG Weight Loss & Family Clinic is obtained from a U.S. Pharmacy, and is NOT homeopathic.

You are urged and advised to seek the advice of a physician before beginning any weight loss effort or regimen. This information is intended for use only by healthy adult individuals. The information is not intended for use by those under the age of 18. Such individuals are strongly discouraged from using this information and are specifically warned to seek professional medical advice prior to initiating any form of diet or regimen.

Gallbladder disease and kidney stones can be caused by a variety of medical conditions such as: thyroid disease, low stomach acid, food sensitivities or allergies, being overweight, rapid weight loss, estrogen intake and birth control pills, chronic heartburn, frequent use of antacids, being female, being over the age of 40, being of Pima Indian and Mexican-American ethnicity, alcohol intake, elevated cholesterol panel, family history, being on cholesterol-lowering agents, antidepressants, immunosuppressive drugs, diet high in fat, low calorie diet, diet of refined foods and sugar, diet low in fiber, non fat diets, low fat diets, constipation, chronic diseases such as crohns, ulcerative colitis, inflammatory bowel disease, anemia, and not drinking enough water.

This information is not meant to replace the advice of any physician. Do not rely upon any information to replace consultations or advice received by qualified health professionals regarding your own specific situation. Any information provided should NEVER be construed as medical advice.

If you have any questions in your mind regarding any lingering health concern, you should seek medical assistance. If you are not satisfied with the advice being rendered by your current physician, you always have the right to obtain another medical opinion. We are weight loss consultants supporting Dr. Simeon's weight loss protocol.

Should your account with the HCG Weight Loss & Family Clinic become delinquent for a bounced check or credit card transaction of insufficient funds, or placed with an attorney or collection company, you are responsible and in agreement to collection costs and fees.
